Partnership with Parents

康柏小学

Encourage your child to develop good work habits.

Presentation

康柏小学

- Write **legibly** – markers will award marks base on what they see, not what they think the student is saying.
- Do **NOT** delete or cross out working and number sentence(s) - Marks cannot be awarded for deleted work.
- Use “ = ” sign carefully.
- Use **arrow** “ → ” to indicate relationship between 2 groups.

How can Parents Help?

康柏小学

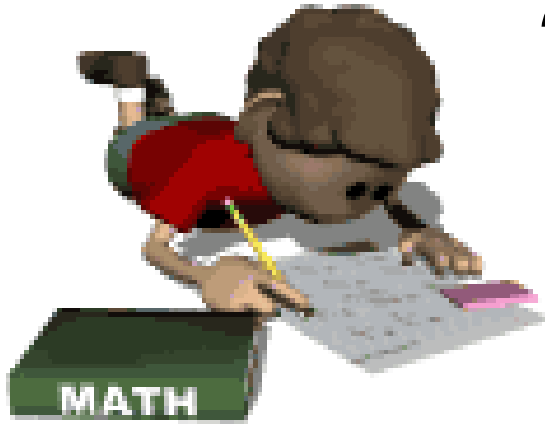

- 1. Monitor and ensure that your child does his/her schoolwork**

Targeting Maths 4A & 4B
Textbook and Workbook
HATs in Maths Booklet
Class Worksheets
Topical Tests

How can Parents Help?

康柏小学

2. Has sufficient practice

To acquire procedural skills, accuracy, speed

3. Do not allow your child to use calculators at home

REMINDER
