Helpful
Tips

- Understand the concepts; do not just memorise facts
- Link concepts to daily life and application
- Talk about the concepts using the related scientific terms

Helpful
Tips

- Use the concept maps in the textbooks during revision  
- Re-look at previous mistakes and learn from them
- Keep the P3 to P6 books for revision

KITES : A strategy to tackle questions

K • What are some of the KEY information in the question?

I • Can I IDENTIFY the possible topic(s)/concept(s)?

T • What are some of the possible TESTED concept(s)?

E • Can I ELIMINATE options that are not possible in the MCQ?

S • Is my response SPECIFIC and it relates to the concept(s) and scientific term(s) for the OEQ?
