- **Student Handbook**

The Student Handbook is an important channel for parents to communicate with the teachers. You may write short notes in the Handbook addressed to the teacher concerned. Every student is given a complimentary copy of the Student Handbook. Please remind your child to bring the handbook to school every day.

Your child should have a 'Homework File' (a file for homework and letters from school, etc.) in his/her school bag daily. Do check the file and the Student Handbook daily. We seek your co-operation in ensuring that your child completes all written tasks and corrections.

- **Form Teacher Guidance Period (FTGP)**

Aligned to teaching and learning processes, the teacher-student relationship (TSR) is fundamental to students' well-being and forms the basis for effective teaching and learning, and for supporting students' growth. A strong TSR has a positive impact on both academic and non-academic outcomes. The weekly Form Teacher Guidance Period (FTGP) is meant for teachers to build rapport and relationships with their students.
