Dear Parents/Guardians of P3 to P6 students,

Invitation to Parents Gateway

1. We are pleased to inform you that our school is now onboard Parents Gateway. Parents Gateway is a mobile app specially designed for parents. Developed by MOE and GovTech, the app allows parents to engage with schools, receive information and perform a range of administrative functions such as giving consent for school trips.
2. We would like to invite you to download the Parents Gateway mobile app on your mobile phone (available on iOS and Android platforms only) and perform a simple one-time onboarding process.
3. From February 2019, parents who are onboard Parents Gateway will receive information via the mobile app. The school plans to issue the scope and dates of assessments via this platform in the week starting 11 February 2019. Hence, it is important for you to come onboard before the date.
4. Since last year, we have also started using a messaging function within the AsknLearn app. We will continue to dialogue with parents via this platform until the Parents Gateway app allows for dialogue between parents and teachers.

5. Full instructions for downloading the Parents Gateway app and the AsknLearn app have been uploaded on our website. The following QR codes and links are for your ease of access.
