Dear Parents / Guardians

MOE SEXUALITY EDUCATION IN SCHOOLS - THE GROWING YEARS PROGRAMME

Sexuality Education (SEd) in schools is about enabling students to understand the physiological, socio-emotional changes they experience as they mature. To develop healthy as well as rewarding relationships with members of the opposite gender so as to make wise, informed and responsible decisions on sexuality matters. SEd is premised on the importance of the family as the basic unit of society. This means encouraging healthy, heterosexual marriages and stable nuclear family units with extended family support. The teaching and learning of SEd is based on respect for the values as well as beliefs of the different ethnic and religious communities in Singapore on sexuality issues.

2. The goals of Sexuality Education are:

- (i) To help students make wise, responsible and informed decisions through the provision of accurate, current and age-appropriate knowledge on human sexuality as well as the consequences of sexual activity.
- (ii) To help students know themselves and build healthy as well as rewarding relationships through the acquisition of socio-emotional skills of self-awareness; management of their thoughts, feelings and behaviours; development of empathy for others; possession of effective communication, problem-solving and decision-making skills.
- (iii) To help students develop a moral compass, respect for themselves as well as for others as sexual beings, premised on the family as the basic unit of society, through the inculcation of positive mainstream values and attitudes about sexuality.

3. The key messages of Sexuality Education are:

- (i) Love and respect yourself as you love and respect others;
- (ii) Build positive relationships based on love and respect (which are the foundation for strong families);
- (iii) Make responsible decisions for yourself, your family and society;
- (iv) Abstinence before marriage is the best protection against STIs/HIV and unintended pregnancies. Casual sex can harm and hurt you as well as your loved ones.

4. Please visit our school's Sexuality Education webpage <https://compassvalepri.moe.edu.sg/notifications/sexuality-education-programme> for more information on Compassvale Primary School's Sexuality Education Programme for 2019.
